## Pool Etiquette:

- Obey the Lifeguard at all times
- Be courteous and share a lane during peak times. Join a lane with a similarly abled swimmer
- When joining a lap lane in use, be sure that everyone in the lane understands you'll be getting in
- Split a lane with two swimmers; each person takes a side of the lane (right or left)
- Circle swim with three or more swimmers; swim down the right side of the lane each way and stay close to the lane line. Abilities should be similar to allow swimmers to pass at the wall. Swimmers needing a break should do so at the corner of the lane
- When the pool is busy, the guard may ask you to switch lanes to someone of similar abilities for your safety
- The guard may combine lanes 1 & 2 for aquacise depending on occupancy
- Lanes 1 & 2 are preferred lanes for water walking, jogging, and aquacising

# Lifeguard Classes

Lifeguard classes may use up to 3 pool lanes intermittently. Expect classes to disrupt the normal schedule on Friday evenings and the full day on Saturday and Sunday.

— Please plan ahead.

## Lifeguard

October 10-12

November 28-30

December 29-31

## Recert

October 5

December 21

## No Electronics on Deck

Responding to a text. Answering a work email. Watching a reel. Making a grocery list. Quick actions that will take just a few seconds, but seconds can quickly become a distraction. And distractions around the water can have major consequences. In fact, 88% of all drownings happen with at least one adult present. That's why children 12 and under need to be supervised by an adult who can maintain constant visual contact with all children playing in or near the water.

The Y wants all parents and caregivers to remember that your eyes can save lives.

**While at our facility, cell phone and laptop use is not allowed on the pool deck, including photography. This rule helps protect children from potential abuse, and protects the privacy of all members.**

## Blue Band Rules for Youth Swimmers

We want to promote the ability of youth to be able to swim laps for physical conditioning and to improve endurance.

Youth are welcome to swim during regular lap swim hours. During Adult Lap Swim, youth who earn a blue band will have access to lap lanes for endurance and training.

### The following will apply for testing:

- Must schedule an appointment with the Aquatic Director or Executive Director (only)
- Has completed the green band test
- Can complete a 100-yard non-stop swim utilizing a competitive stroke (freestyle, backstroke, breaststroke, butterfly) of their choice
- Tests are limited to one per week and can be scheduled at [ctolan@rosesymca.org](mailto:ctolan@rosesymca.org) or [msiers@rosesymca.org](mailto:msiers@rosesymca.org)

### Rules for Blue Band swimmers:

- Must get the blue band at the Membership Desk when they enter
  - This time is for swimming laps and not for recreational play
- Any swimmer 12 and under requires a parent on the pool deck at all times. No exceptions.
- If the rules are not followed the swimmer will lose the privilege of swimming during Adult Lap Swim.
